Dedication To Someone Special

We as a class felt a great loss for one of our own, but just like a dream you will always be in our thoughts. You are a part of each and every one of us. For those that knew and every one of us. For those that knew you, you were a gift. Those who didn't know you missed out on a chance to meet a truly kind hearted, intellectual, caring, and giving person. So while we as a class mourn your loss, we also find comfort in knowing that you will always be a part of us and a bigger part of the class of 95

-Anonymous-

Cibo: was very, very quiet. He never talked. He was the one with the highest score in class. He showed plenty of leadership in R.O.T.C.

-Ronald George

Cibo: God put you where he thought you'd be best- by his side.
-Rolanda

Sequeira

Cibo: smart, quiet, student, and a funny friend to have.
P.

Cibo: He was a very smart boy when it came to Biology II. I grew to know him out of school. He was the cool type and you'd never have known that in school. -Lucretia Morrissette

Cibo: I always remember you as being a quiet, shy, and friendly person towards others. You will be greatly missed.

-Kamiliah Pompey

Cibo: he was a great asset to the Class of "95". It was pretty sad to see someone who had so much talent die so young.

-Jon K. Steiner

Cibo: you were a pleasant person to talk to. You would always have a smile and a nice sense of humor. It's a shame what happens to the innocent. That's why they say life's a B#@#\$, we'll miss you. -Alex Rodriguez

Cibo was a very nice person. He was always willing to help someone. His goal was to help his little brother.

-Widlyne Marie

Cibo: you'll be missed -Maya

Cibo was a great person and he will be greatly missed. greatly missed -Bruno C.

Cibo: I know you want all of us to succeed. So wherever you are I hope you'll know that we'll be thinking of you .. -B.J.

Cibo: you were a very good person. You were always there for me when I needed help in chemistry. Thanks for all the extra help. -Chocorua

Cibo: was the person you could always count on.
-Hahn

Cibo: was a person you will never forget. -Shu Dan Chin

Cibo: was the most intelligent person in computers and a good friend.

Cibo: was a very nice and bright young man. He is greatly missed.
-Charlene

Cibo: was quiet and shy, but friendly, pleasant and extremely helpful and most greatly missed.

He was a nice person, who I wish I'd known better.
-Kevin Williams

He always had a smile walking up the stairs and he greeted me all the time. I will always remember that smile.

-Leah Odom

Cibo: your quiet soul and personality, which kept you going. You are still a part of us.

-Wendy

Cibo: even though you're not here, you'll always be in my heart.

Wherever you are, always know that you made a difference.
-Merlande Mercidien

You will be remembered by everyone who or who didn't know you. You will always be in my heart. -Tameka Johnson

Cibo, I can't help but to remember the times we shared while doing labs in chemistry. Thanks for all your explanations and extra help.

Cibo: you were so competitive in Algebra 2 Honors. Though you got 100's you still tried harder the next time. You will be greatly missed. -Jenny Cadet

Although our friendship had just begun. I'd gotten to know him very well. He was very well rounded and sincere. He's brought something special to all of us. Nothing will ever replace the memories and friendship we all shared with him. May God be with you.

Love, Victoria Mui

Cibo: fair winds and following seas.

Headmaster's Address

Dear Graduates:

I would like to use this final opportunity to congratulate the senior class, and to acknowledge its many achievements and accomplishments.

I sincerely believe that your success has been largely the result of many hours of hard work, sacrifice, and time spent preparing for the coveted diploma that you will receive at graduation. This is only the beginning of an ongoing process that will continue throughout your careers. Experts are predicting that members of this year's class of '95 will undergo several career changes during their lifetimes.

Many of you have indicated that you intend to continue your studies in September. That is a good sign, because it is essential that you further your education. To do so, you must set realistic goals, and strive to achieve them. Your formula for success must include sacrifice, perseverance, determination, and endurance.

The 21st century promises to be a golden age for those who prepare themselves. Those who have willpower, stamina, and the determination to succeed, will reap the benefits.

Therefore, the education that you receive during the next 4 years should provide you with necessary skills that will prepare you to take advantage of the many job opportunities that will become available. You must continue to re-train and update your education because of the rapid technological advancements taking place in the fields of Science and Technology.

I would like to conclude by wishing the best of luck for the Class of 1995. May you be successful and have a rich, rewarding and healthy life.

Remember that today is the first day of the rest of your life. Use your time wisely. Best Wishes.

To the Class of 1995, be happy, be prosperous, be-have. Love, Mr. Saccheti

that you will always have a major impact of shaping the twenty-first century to make it a better world. You have my faith and trust to complete this task and if each and everyone of you do your part the world be a better place because of you. So go forth and do it, don't just talk about it. Good luck to the Class of 95

-From Mr. Belle

Best of luck to the Class of 1995. I wish happiness to you all. Mr. Staples

Congratulations to the Class of '95. Good Luck in the future. Make the best of yourselves.

SAY CHEESE

From freshmen year to Sophomore year we didn't know each other. From Sophomore year to junior Year we began to get Together. From junior year To Senior year obstacles began. Now that we are Seniors, they'll stop us if They can, where ever we Will be.... Still we rise Together to this day we've Longed to see.

And Still We Rise

And still we rise despite the fact that certain past events have not always gone the way we wanted; we have focused on the positive. We started together we will graduate together. Never mind if others doubt us — we must continue proving ourselves by excelling; anything you want in life can then be achieved. Together we the Class of 1995 have all worked very hard and believe it or not we all have gained far more than we thought we would through struggling over the years to stay on top of things. Many of us have achieved various types of honors through our hard work all these years. There were four students who worked very hard to earn B.U. Scholarships, they were Bruce Nguyen, Lifan Yang, Kenneth Woo, and Marlon Brown. For the Wentworth Program, these students were chosen based on their academics: Cheryl Smith, Imelda Auron, Manuel Depina, Reginald Remy, Cassandra Holley, Tyrone Allen, Jason Goon, Kamiliah Pompey, Bobby Bigby, Melinda Wong, and Vincent Pham. Bruno Caceres, a NJROTC Battalion Commander and Maria Goncalves, a NJROTC Battalion Deputy Commander have shown exceptional leadership in Naval Science, William Berguette has shown Academic Excellence, and Patrick Lam and Marlon Brown are known for their excellence in physics. In sports many of us have excelled, like Anthony Burke, Andre Grant, and Collis Howe, Captain of our football team. Angie Barros is the state champion short distance runner. Cheryl Smith is Captain of the swim team. Rosalie Placid and Latesha Odom are great cheerleaders. Juana Hernandez and Cynthia Soohoo play a mean volleyball game and Tony Chow, Steven Du, John Wong, and Denny Ching likewise. Rolanda Sequeira in softball, Denny Ching in hockey, Juana Hernandez and Tameka Johnson in basketball, Elias Cruz in baseball all shine. Andre Grant and My Linh Quach have contributed a lot artistically to the yearbook. Jean Chan and William Berquette will surely succeed at whatever they do. These students did not give up easily and neither have we. From there, I believe we can all stand strong and be proud of ourselves. With a positive attitude, we can prove to others that we will finally make it! Despite all obstacles, STILL WE RISE!

A Message From The President

We the class of 1995 have seen the best of times as well as the worst of times. During our freshman year we were known as Boston Technical High School. But, now we are proud to be graduating as students of The John D. O'Bryant School of Mathematics and Science. Through our years here at the O'Bryant, many of us have matured as young adults and we have functioned as a class that will always be remembered.

During our years here at the O'Bryant, we have been influenced by many things in the world and in our own school. We saw tragedies from Bosnia and Croatia. We also saw deadly earthquakes and the starvation in Somalia and Rwanda. But the tragedy that will effect us the most was the death of our great friend Ci Bo Chen. He touched many of our lives and that mark will last forever. But through it all we witnessed good things also. We saw the democracy being restored in Haiti and also peace in both the Middle East and Ireland.

When we entered as freshman in this school, many of us did not know what to expect, however as years passed we got to know each other and many of us became good friends. Now school is over but that does not mean our friendship. Good luck in the future and keep in touch!!!!

Lewis Tom

It Happened To Us

SEPTEMBER

Welcome back former juniors! We left as juniors and came back as seniors. We've got bad news, yes already. Let's begin with the football team, can you believe they lost their first game of the season. We not only lost football games but we also lost 3 C.D ROM multi-media computer in the library, the librarian suspected an inside job. Don't be sad though, we've also got good news. Our school passed the accreditations with flying colors, and the girls volleyball team won their first volleyball game, and remained undefeated throughout the whole season.

October

We hope nobody got any unwanted zits on their faces, because those little red suckers really show in your yearbook pictures. Our first term ended and we still have four more to go. The good news for this month is that Mr. Hall the history teacher on the second floor was elected teacher of the year for the first time (in how many years? Just joking). The girls soccer team mooned Hyde Park High and then got into an all out rumble, because of the loss to them. Did you see Rolanda and Shawna flash Westie? Well they did and because of this little stunt, they caused us a shot at the SUPER BOWL!! Thank You, girls! Also did Alex Rodriguez get his walkman back from Mr. Sacchetti? Finally, the Asian Culture Club had eggrolls to sell, but not enough to sell to everybody sorry.

November

Hello Seniors, another month. How long did the left over turkey last this year. Anyways the girls volleyball team won the city championship against Latin Academy, again, but they lost the state championship to the Quincy Girls Volleyball team. The basketball season started for the guys and girls this month. Good luck guys.

December

Merry Christmas!!! Tis the season to be jolly and happy, but don't get too used to it because from this vacation till mid February we are crammed with college applications, essays, financial aid applications, SAT's and college interviews. Domingus and Freeda got into a fight about something, we don't know, but you can rest assured that Maricio and Sandra won't be fighting anytime soon.

January

Happy New Years and welcome back to school, joy. This month Collis tumbled down the stairs, go figure. Boyz II Men tickets were won by Chocora and Jenell, but that is not as important as when Latanya Ramsey and other public school students went to the State House to vote for sex education and violence awareness as an elective in part of school curriculum. They also tried to push for condom distribution on school grounds.

February

Let's all give Jalen, Shalair's new born son a warm welcome into the world. This month the Asian Culture Club, and the National Honor Society had Valentine candy grams to sell (there was a rumor that Maricio didn't buy Sandra any candy gram, let's just hope that's not true). In Japan there was a horrendous earthquake, that killed over a hundred thousand people. Thank God for the February vacation.

March

"Beware the Ides of March", this month was one of the critical months for us. This is when seniorithis starts it's engine. We get notices from the colleges which we applied to, and you know some people are going to brag about it. All the single people out there, you know are worried about a prom date.

April

Tragedy came with a loud bang this month, because of the Oklahoma bombing. Many people were injured and killed, but the funny thing about this month was that all of a sudden everybody forgot about O.J. Simpson's trial for a little while, but hopefully everybody came back from their springbreak unscathed and with a willingness to work Yeah Right!! Who are we kidding? Every Senior was probably so excited to graduate that they probably screwed up, one way or the other.

May

Well, seniors this is the last full month of our high school years, be nice to all seniors, you'll never know who'll be in charge of you in the future. We had a lot to look forward to this month. For example, our Senior Prom, those c.p. days for those who did community services, senior hook day, class dues, finals and most importantly the very last day of school. The very day where our teachers sign us out on time, and for those who weren't as fortunate as the rest of us, had janitorial services to look forward to.

June

Hope everybody gets the chance to walk across the stage on graduation day. Enjoy your summer and remember the good old days. Just remember our theme "and still we rise".

Good Luck!!!!

Theme If Only For One Night . . .

This is the night we've been waiting for . . .

Where dreams will fly and spirits will soar.

If only for one night may we be together . . . Let tonight be the night; may we last forever.

We all will be happy and dance the night

Every "king" with his "queen", every heart flown astray.

For just one night we put our differences aside.

We'll hug each other, hold one another and look upon '95 with pride.
